DELL™ LATITUDE™ E6320

Whether you're in the office or on the road, the Dell Latitude E6320 notebook is ready to move with you. With its 13.3" HD LED display and its Intel Core standard processing, the Latitude E6320 delivers lightweight yet full performing productivity.

Ready for whatever your work might dish out, this business-rugged laptop is stylishly armored top to bottom with a hard-wearing MIL-STD 810G tested Tri-Metal™ casing, a highly durable anodized aluminum display back, a tough powder-coated base and reinforced metal hinges. On the inside, the Latitude E6320 is equipped with a spill-resistant keyboard, a protective 360 degree LCD bumper and seal for added screen protection that can outlast the bumps and spills of everyday work.

You can enjoy uninterrupted productivity while in flight or in low light settings with the optional backlit[11] keyboard along with a variety of battery options and swappable media module options, including optical drives, hard drive and USB 3.0 media modules, that help to keep productivity in full swing.

As a member of the Latitude E-Family, the E6320 provides go-anywhere productivity, confident security and efficient manageability in a durable design that's built to last - all that you've come to expect from the Latitude E-Family.

Built to Last Durability
